The School Council meets at the start of every half term.

Before these meetings, the class representatives ask each class if there is anything that they want addressing. There are boxes around school for children to leave their suggestions about how school can be made even better. Feedback from meetings is delivered by School Council representatives during assemblies, and talks given to year groups.

Class Representatives

'We take responsibility'

Class Reps are the official representatives of the classes across the school. They will listen to the ideas and suggestions from each year group and will raise these at School Council Meetings, representing your views.

Mini-Vinnies Representatives

'We live the Mission'

Mini-Vinnies participate in group meetings, planning, and activities that enhance the team work approach of the Mini Vinnies group at St. Anthony's, promoting the spirit and philosophy of Mini Vinnies across the school: SEE, THINK and DO good work to help others in need within their community and beyond!

Eco Representatives

'We care for the environment'

Eco representatives have a very important role to play in promoting our whole school Eco strategy by:

- *Helping to conserve energy by encouraging everyone to turn off lights when leaving rooms.*
 - *Litter monitoring*
 - *Caring for the school grounds and surrounding area.*
 - *Developing ideas for projects.*
- *Organising events such as 'The Black Path Litter Pick' to highlight Eco awareness.*

Physical Activity Council

'We work hard in all lessons and have fun'

We are enthusiastic about sport, interested in developing P.E. in school, are full of good ideas and are good role models for sporting behaviour. Our aim is to raise the profile of physical activity and sport at St Anthony's by:

- Helping to plan the sporting calendar.*
- Leading competitions for younger year groups.*
- Helping to organise sports week and sports days at the end of the year.*
- Researching and promoting local sports clubs.*
- Helping to keep P.E. equipment tidy.*
- Helping to organise intra school sporting events.*
