Pope Francis says:

"Everyone is our neighbour, regardless of the colour of their skin, their social standing, where they come from. We are called to encounter every poor person and every form of poverty, abandoning our difference and the excuses we make to protect our own well-being."

Messages from Mr Johnson

Today we held the first of three non-uniform days for our school Christmas Fair and as always, we are so very grateful for all of the donations our families have brought in. This marks the start of such an exciting time of year at school, with the children beginning to rehearse for Christmas performances and the teachers planning lots of lovely activities during the festive season. We also look forward to our Quiet Liturgies which allow the children time to reflect on the events of the days running up to Jesus' birth.

Christmas Celebrations

Over the next few weeks we have lots of exciting Christmas events and performances planned. Please ensure you have the following dates in your diaries and take note of whether or not tickets are required. As there are several year groups involved in some of the performances, we do need to limit the number of people in the school hall at one time.

Year 2 visit The Lowry

Today, the first of the three Year 2 classes visited the Julia Donaldson exhibition at The Lowry where they celebrated 30 years of Julia Donaldson stories such as The Gruffalo and Room on the Broom. The children in 2AH had a brilliant day today and I'm sure 2VH and 2SB will be very much looking forward to their trips next week!

Sports News

This week the school Lacrosse team competed in their first competition of the season. They played exceptionally and reached the final, narrowly missing out on first place. We are very proud of the team for coming second across the whole of Manchester!
