

Keeping children safe at St Anthony's

At St Anthony's we take our safeguarding duties seriously. As part of this, everyone needs to know who to contact with any questions or concerns about child protection.

Our Designated Safeguarding Leads are:

Mr P Johnson (Headteacher)
Mrs J Hury (EWO)
Mrs J Stevens (Deputy Head)
Mrs C Burns (Assistant Head)
Mrs A Tipney (Assistant Head)
Mrs L Lord (Assistant Head)
Mrs V Monaghan (Nurture Lead)

Anyone working with children is advised to maintain an attitude that 'it could happen here' where safeguarding is concerned and staff should always act in the best interests of the child. We record all matters of concern on the CPOMS online platform.

We are part of the Corpus Christi Catholic Academy Trust. In the event that members of the trust, school staff, parents, governors or the school community become aware of activities which give cause for concern, the Trust has established a Whistleblowing Policy and Procedure, which can be found on the CCCAT website at
