## Pope Francis says:

**"In this Year of Prayer, we are invited to make room for prayer that flows from the Holy Spirit. He knows how to place in our hearts and on our lips the right words in order to be heard by the Father."**

### **Messages from Mr Johnson**

During this Monday's Gospel Assembly, we heard how the people were shocked by Jesus' different approach to teaching. We spoke about how lucky we are to have access to education and how grateful we are for all of the people who help us to get to school. As part of their Faith in Action activity, the children wrote a thank you prayer to all of the people who enable them to be in school every day. We would like to take this opportunity to thank all of our wonderful families who ensure the children are up, dressed and ready for school each day, and who are always so supportive of school life.

#### **Year 3 Enrolment Service**

This week, our Year 3 children who will make their First Holy Communion in the spring attended a Service of Enrolment led by Father Owen. It was lovely to see some of our parents come along to support the children and the children did us proud as they were so sensible and reverent.

#### **NSPCC Number Day – Times Tables Rock Stars**

Today St Anthony's transformed into the School of Rock as the children dressed up as rock stars to raise the profile of maths and times tables across school. The outfits and hairstyles were fantastic and so creative, and we held a special KS2 assembly this afternoon accompanied by some rock classics. Thank you to all of our families who helped to ensure the children could join in and celebrate Times Tables Rock Stars!

#### **Children's Mental Health Week**

Next week is Place2Be Children's Mental Health Week. Throughout the week the children will be taking part in a variety of assemblies, lessons and activities to help them to look after their mental health as well as their physical health. If you have any concerns regarding your child's or your own mental health please speak to a member of staff as we are keen to work closely with our families to ensure everyone is happy and healthy. As per the previous newsletters and parent messages, the PCSO is delivering an assembly for Year 5 and 6 children and parents on Tuesday morning at 9.00am. We would love to see many of you there as we are sure you may have questions about how you can best ensure your child's safety online.

#### **Year 4 and 5 Swimming Gala**

This afternoon, eight children from Year 5 went along to the Swimming Gala at The Forum. The children performed brilliantly, securing plenty of first and second places in their individual races. We await the final result but are hopeful – well done Year 5!
